Ronco Machine Core Winder Upgrades

In addition to providing new and rebuilt core winders, Ronco Machine, Inc. offers upgrade packages to help improve your core making capabilities. These upgrades are available for any brand core winder in operation today. These upgrades include (but not limited to): New control packages, New unwind stands, Glue extrusion systems, New cutoff system with independent controls, Camless cutoff retro kits, Replacement parts, Safety upgrades and more.

Electrical upgrades

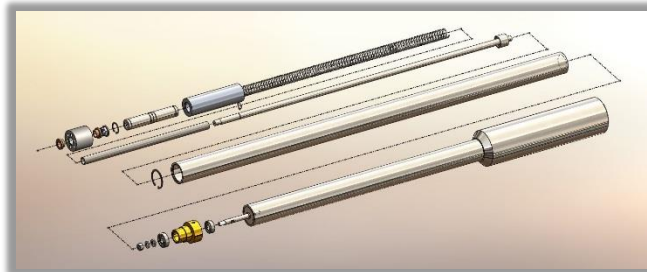

Unwind stands w/wo extrusion

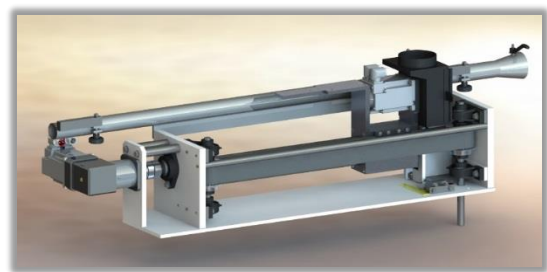

Stand-alone cam & camless cutoff sections

Replacement parts including mandrels

Customized Retro kits

Safety upgrades including winding drum guards

Please contact us by phone at 904-827-9215 or via email at sales@roncomachine.com to receive further information on these and other packages that you may have interest in. If you are not the person responsible for maintaining the core winders at your facility, please forward this bulletin to the proper person.

Thank You,
Ronco Machine, Inc.
